## **Staley's Plumbing Heating and Air Conditioning Honored with Prestigious Lennox Centurion Award**

Flushing, MI – April, 2024 – Staley's Plumbing Heating and Air Conditioning, a leading provider of HVAC services in Flushing and Fenton, is proud to announce that it has been distinguished with the esteemed Lennox Centurion Award for 2024. This award is conferred upon the top 5% of Lennox dealers nationwide, recognizing their exceptional accomplishments in customer service, sales, and overall business performance.

The Lennox Centurion Award celebrates dealers who have demonstrated outstanding dedication to Lennox's ideals and have shown a commitment to providing the community with superior HVAC solutions. The team at Staley's has continually excelled in all areas, from customer satisfaction to business integrity, setting them apart in the highly competitive HVAC industry.

"We are thrilled to receive this recognition from Lennox Industries," said Scott Staley, of Staley's Plumbing Heating and Air Conditioning. "Our team works tirelessly to ensure top-notch service for our customers, and this award is a testament to our collective efforts. We are proud to be a part of an elite group of dealers that uphold the highest standards of quality and service."

The award ceremony was a gathering of premier Lennox dealers from across the continent. The Staley's team, pictured at the event, received their award amidst cheers and commendation for their hard work and customer service excellence.

Staley's Plumbing Heating and Air Conditioning is the oldest Lennox Dealer in Michigan serving Mid-Michigan since 1941. They offer a comprehensive range of HVAC and plumbing services, including installation, repair, maintenance, and emergency services. The company's unwavering commitment to its clients and community will continue to be the driving force behind its service approach.
